IMPORTANT NOTES			
All mentioned flight schedules are subject to change at any time.			
Flight includes 1 check-in bag of 23Kg. and a 10Kg hand-luggage. Additional baggage can be added at an additional cost.			
After issuing your ticket, the flight schedule could still be subject to change, due to any last minute airline changes and/or flight cancellations.			
We cannot be held responsible for any changes in flight times made by the airline.			
It is compulsory to issue Galapagos flight tickets with us. In case flights are booked directly, a penalty fee of USD 50 pp applies.			
We strongly recommend to avoid booking an international connecting flight on your day of return from Galapagos, as flight delays and cancellations occur with a certain frequency. We cannot be held responsible for any missed (inter)national flight connections.
